#### *Neighbors to discuss Storm Bridge on the "Inside the Southern University System" radio show*

*August 26, 2010*

Dr. Ira Neighbors, Associate Professor of Social Work and Director of the Bachelor of Social Work program, will discuss the School of Social Work's "Storm Bridge II" project. The interview will be on Sunday, August 29th at 6:00 p.m. (CST) on WEMX-FM in Baton Rouge. The interview will be conducted as a part of the show's feature on SUNO, five years after Katrina.

The interview will stream live on [www.max94one.com](http://www.max94one.com). "Inside the Southern University System" is a weekly show hosted by Katara Williams, the System's Director of Media Relations, along with Robyn Merrick, the System's Director of Alumni Affairs.

The project is an initiative designed to unite communities throughout the New Orleans metropolitan area by focusing on conflict resolution, social justice and productive dialogue. Messrs. Harry Russell, Edgar Blanchard, Claude Montegut, and Dr. Patricia Guillary also participate in the project.
