### *SUNO welcomes volleyball to athletics*

**NEW ORLEANS, LA.** - Southern University at New Orleans (SUNO) has added volleyball to its athletics line-up. This is the first season for SUNO Volleyball which will be coached by Wendy Magee.

SUNO is Magee's first head coaching job. Previously she served as an assistant coach at Belle Chasse High School where her team won the 2008 district championship. Magee is a graduate of Wiley College.

"Our team motto is 'Defy Expectations'," says Magee. "As being named the head volleyball coach (of SUNO) on the colligate level is an honor and privilege, 'Defy Expectations' means to do the opposite of what everyone thinks. I expect to win, and grow the team by using life lessons and surpassing all obstacles I might have while building a new team."

The team's season begins on August 29<sup>th</sup> with a match against Judson College in Marion, Alabama. The team's first home match will be on September 4<sup>th</sup> against Spring Hill College in The Castle. Other key match-ups include matches against cross town rivals, Loyola and Dillard. To view the full schedule log on to <http://www.suno.edu/Athletics>.
